Sir:

In order to comply with 37 CFR 1.97 and 1.98, attached hereto is a copy of Form PTO-SB/08a.

All of the references listed on Form PTO SB/08a have been cited in corresponding European Patent Application No. 05290456.2 in a Search Report dated January 30, 2008. All of the references listed on Form PTO SB/08a are U.S. publications and therefore no copies of such documents have been included with this Information Disclosure Statement.

U.S. publication no. 2003-0128242 (U.S. patent no. 7,043,701) and U.S. publication no. 2002/0075697 have been cited by the Examiner of the above-referenced application and considered pertinent throughout the prosecution process.

Applicants respectfully request the Examiner's consideration of the remaining cited reference and entry into the record of this application and that it be cited of record in the prosecution history of the present application by initialing Form PTO-SB/08 next to the document. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56, but the citation of such document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination,

Docket No. 80-20702767 (formerly 6175-065)
U.S. Patent Application Serial No. 10/806,571

will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 and 1.106 and, in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

As set forth in § 1.17(p), the Commissioner is hereby authorized to charge the fee of \$180.00 to Deposit Account No. 50-0521. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-0521.

Date: September 10, 2008

Respectfully submitted,

Victor Siber
